

## TUBE WELL DRILLING RECORD

Form : GRU 05

Drilling Company Registration No:			Rig No:				
Name of the Drilling Company :							
WRB Approved Hydrogeological Report Number/Approved Date:							
Site Located By (Hydrogeologist Name) :							
Name/ Address of the well owner :							
Coordinate of the well:		Latitude:			Longitude:		
		Y:			X:		
District :		DS Division :			GN Division :		
<b>Technical Details</b>							
Total Depth (mbgl) :		Casing Diameter (mm):			Drilling Mrethord: Mud Rotary/ Air / DTH		
Casing Depth (mbgl):		Rock Hole Diameter(mm):			Completed Date:		
Rock Hole Depth (mbgl) :		Flushig Yield (lpm) :			Commenced Date :		
Blank Casing range:		Static Water Level(mbgl) :					
Screen Casing range:		(After Well Completion)					
<b>Drill Log</b>							
Sample No:	Depth Drilled		Thickness (m)	Fractures		Yield (lpm)	Lithological Description
	From (m)	To (m)		From(m)	TO (m)		
Name Of the Driller:							

This Document should be submitted to Water Resources Board
